TWO NEW BEGONIAS

THE MARMORATA is a camellia type begonia mottled in red and white. It is very striking and should sell well. Priced the same as Pendula.

THE DUPLEX is our newest introduction. A large flower resembling a single bloom with a smaller one superimposed on it. It is different from all other begonias. We are offering it in a mixture containing a wide variety of colors. Priced same as Pendula.

MONTBRETIAS

This bulb is becoming increasingly popular and most seedsmen find it a very profitable item. The varieties listed below are sturdy and easily grown. They stool out in one year and produce masses of showy flowers. All named varieties \$4.00 per hundred, mixed \$3.50 per hundred.

Talisman — Large orange-red, the most satisfactory of all montbretias.

Fire King — Scarlet red

Aurantiaca — Deep Yellow

California — Very Tall Yellow

King Edmund — Rich Golden Yellow

Geo. Davidson — Clear Yellow

Transcendent — Red with Orange Throat, late.

Members of the trade are invited to visit our farms when in California. Capitola is in Santa Cruz County four miles from Santa Cruz and eighty miles from San Francisco.
